

## Turkeys for Christmas

Do you like your Christmas turkeys well fed, well hung and reared locally?

Then if you live close by, order your turkey from The Welsh Poultry Centre. We have a limited supply of white and bronze turkeys for collection from the farm. Come along on Christmas Eve and enjoy a glass of something warming and a mince pie while you collect your Christmas turkey. If turkey's not your thing, you can order a free range chicken or duck instead. If you ask really nicely we might let you have one of our free range geese.

Turkeys same price as last year. £9.90/kg

Size: 4-6kg

Keep it local this Christmas. Leave your order on the ansaphone with your name and contact telephone number 01267 253570 or email me your order today.

Steve.
